

Fenway and the Bone Thieves: Behind the Scenes

In-person presentation with Victoria J. Coe

Detailed Description

Intended for school assemblies, this engaging presentation is a combination of colorful slides/pictures and storytelling. Topics covered: Introduction to the book, About me, How I decided to become an author, How I got the idea for *Fenway and the Bone Thieves*, How I created the characters, Who illustrated the book, plus other “fun facts,” and Info on the other books in the Make Way for Fenway! series. Includes a fun interactive exercise in making connections between people and dogs as well as movement. Followed by Q&A.

Technology needs: Capability to show a Google Slides presentation, internet access, a large screen that all can see, someone to set this up and make the tech run smoothly.

For Grades K-2 - 30 minutes, including 10 minutes of Q&A

Helpful hint: If preparing questions ahead of time, try not to choose a topic that will have already been answered.
